

Indicator Name	Definition	Data Source (HNLSS, DHS, OSSAP-MDGs Facility Inventory Surveys, etc.)	Notes
ALL SECTORS-OVERVIEW			
Population of the LGA	The total population of the LGA from the Nigeria Population Census, 2006.	OSSAP-MDGs Facility Inventory Surveys	Definition Source: OSSAP-MDGs Education Desk Officer & The Earth Institute
Number of Primary Schools	Number of primary schools in the LGA. Primary school begins after the pre-primary level and covers levels Primary 1 through Primary 6.	OSSAP-MDGs Facility Inventory Surveys	Definition Source: OSSAP-MDGs Education Desk Officer & The Earth Institute
Number of Junior Secondary Schools	Number of junior secondary schools in the LGA. Junior secondary school begins after Primary 6 level and covers levels Junior Secondary 1 through Junior Secondary 3.	OSSAP-MDGs Facility Inventory Surveys	Definition Source: OSSAP-MDGs Education Desk Officer & The Earth Institute
Total Number of Combined Schools which include at least 1 Primary and/or Junior Secondary School	Number of combined schools in the LGA that include primary and junior secondary; primary, junior secondary, and senior secondary; and junior secondary and senior secondary schools. Primary school begins after the pre-primary level and covers levels Primary 1 through Primary 6. Junior secondary school begins	OSSAP-MDGs Facility Inventory Surveys	Definition Source: OSSAP-MDGs Education Desk Officer & The Earth Institute

Indicator Name	Definition	Data Source (HNLSS, DHS, OSSAP-MDGs Facility Inventory Surveys, etc.)	Notes
Total Number of Schools	<p>after Primary 6 level and covers levels Junior Secondary 1 through Junior Secondary 3. Senior secondary school begins after Junior Secondary 3 and covers levels Senior Secondary 1 through Senior Secondary 3.</p> <p>The total number of primary and junior secondary schools in the LGA, regardless of the primary day-to-day management of the facility.</p>	OSSAP-MDGs Facility Inventory Surveys	<p>Definition Source: OSSAP-MDGs Education Desk Officer & The Earth Institute</p>
Pupil to Teacher Ratio	The ratio of pupils to one full-time teacher in the LGA.	OSSAP-MDGs Facility Inventory Surveys	<p>Definition Source: OSSAP-MDGs Education Desk Officer & The Earth Institute</p>
Percentage of Teachers with NCE Qualification	The number of full-time teachers at primary and junior secondary schools in the LGA that have the minimum requirement for teaching in Nigeria, the Nigerian Certificate in Education (NCE).	OSSAP-MDGs Facility Inventory Surveys	<p>Definition Source: OSSAP-MDGs Education Desk Officer & The Earth Institute</p>
FACILITIES			
Number of Primary Schools	Number of primary schools in the LGA. Primary school begins after the pre-primary level and covers levels Primary 1 through	OSSAP-MDGs Facility Inventory Surveys	<p>Definition Source: OSSAP-MDGs Education Desk Officer and The Earth Institute</p>

Indicator Name	Definition	Data Source (HNLSS, DHS, OSSAP-MDGs Facility Inventory Surveys, etc.)	Notes
Number of Junior Secondary Schools	Primary 6. Number of junior secondary schools in the LGA. Junior secondary school begins after Primary 6 level and covers levels Junior Secondary 1 through Junior Secondary 3.	OSSAP-MDGs Facility Inventory Surveys	Definition Source: OSSAP-MDGs Education Desk Officer and The Earth Institute
Total Number of Combined Schools which include at least 1 Primary and/or Junior Secondary School	Number of combined schools in the LGA that include primary and junior secondary; primary, junior secondary, and senior secondary; and junior secondary and senior secondary schools.	OSSAP-MDGs Facility Inventory Surveys	Definition Source: OSSAP-MDGs Education Desk Officer and The Earth Institute
Total Number of Schools	The total number of primary and junior secondary schools in the LGA, regardless of the primary day-to-day management of the facility.	OSSAP-MDGs Facility Inventory Surveys	Definition Source: OSSAP-MDGs Education Desk Officer and The Earth Institute
Percentage that are managed by the government	Percentage of total number of schools in the LGA that are managed by the federal, state, and local governments. Total number of government managed schools in the LGA divided by the total number of schools in the LGA.	OSSAP-MDGs Facility Inventory Surveys	Definition Source: OSSAP-MDGs Education Desk Officer and The Earth Institute
Percentage with formal curriculum	Percentage of total number of schools in the LGA that provide regular formal education	OSSAP-MDGs Facility Inventory Surveys	Definition Source: OSSAP-MDGs Education Desk Officer and

Indicator Name	Definition	Data Source (HNLSS, DHS, OSSAP-MDGs Facility Inventory Surveys, etc.)	Notes
	curriculum only. Total number of schools in the LGA that provide regular formal education curriculum only divided by the total number of schools in the LGA.		The Earth Institute
GENERAL INFORMATION FOR PRIMARY SCHOOLS			
Number of primary schools	Number of primary schools in the LGA. Primary school begins after the pre-primary level and covers levels Primary 1 through Primary 6.	OSSAP-MDGs Facility Inventory Surveys	Definition Source: OSSAP-MDGs Education Desk Officer and The Earth Institute
Percentage that are managed by the government	Percentage of the total number of primary schools that are managed by the federal, state, and local governments. Total number of primary schools in the LGA managed by the government divided by the total number of primary schools in the LGA.	OSSAP-MDGs Facility Inventory Surveys	Definition Source: OSSAP-MDGs Education Desk Officer and The Earth Institute
Percentage with formal curriculum	Percentage of the total number of primary schools in the LGA that provide regular formal education curriculum only. Total number of primary schools in the LGA providing regular formal education	OSSAP-MDGs Facility Inventory Surveys	Definition Source: OSSAP-MDGs Education Desk Officer and The Earth Institute

Indicator Name	Definition	Data Source (HNLSS, DHS, OSSAP-MDGs Facility Inventory Surveys, etc.)	Notes
Number of primary schools within 1km of nearest junior secondary school	<p>curriculum only divided by the total number of primary schools in the LGA.</p> <p>The number of primary schools that are within 1km of the nearest junior secondary school.</p>	OSSAP-MDGs Facility Inventory Surveys	<p>Definition</p> <p>Source: OSSAP-MDGs Education Desk Officer and The Earth Institute</p>
Average number of students enrolled per school	The average number of students, female and male, enrolled per primary school.	OSSAP-MDGs Facility Inventory Surveys	<p>Definition</p> <p>Source: OSSAP-MDGs Education Desk Officer and The Earth Institute</p>
Average number of full-time teachers per school	The average number of full-time teachers, female and male, per primary school.	OSSAP-MDGs Facility Inventory Surveys	<p>Definition</p> <p>Source: OSSAP-MDGs Education Desk Officer and The Earth Institute</p>
Average number of classrooms per school	The average number of classrooms regardless of condition or use and including those under construction per primary school.	OSSAP-MDGs Facility Inventory Surveys	<p>Definition</p> <p>Source: OSSAP-MDGs Education Desk Officer and The Earth Institute</p>
Average number of toilets per school	<p>The average number of improved sanitation facilities that are used by the facility and located on the premises per primary school.</p> <p>Improved sanitation hygienically separates human excreta from human contact. Their key characteristics are a</p>	OSSAP-MDGs Facility Inventory Surveys	<p>Definition</p> <p>Source: OSSAP-MDGs Education Desk Officer and The Earth Institute</p>

	concrete slab and a septic tank/pit.		
GENERAL INFORMATION FOR JUNIOR SECONDARY SCHOOLS			
Number of junior secondary schools	Number of junior secondary schools in the LGA. Junior secondary school begins after Primary 6 level and covers levels Junior Secondary 1 through Junior Secondary 3.	OSSAP-MDGs Facility Inventory Surveys	Definition Source: OSSAP-MDGs Education Desk Officer and The Earth Institute
Percentage that are managed by the government	Percentage of the total number of junior secondary schools that are managed by the federal, state, and local governments. Total number of junior secondary schools managed by the government in the LGA divided by the total number of junior secondary schools in the LGA.	OSSAP-MDGs Facility Inventory Surveys	Definition Source: OSSAP-MDGs Education Desk Officer & The Earth Institute
Percentage with formal curriculum	Percentage of total number of junior secondary schools that provide regular formal education curriculum only. Total number of junior secondary schools in the LGA providing regular formal education curriculum only divided by the total number of junior secondary schools	OSSAP-MDGs Facility Inventory Surveys	Definition Source: OSSAP-MDGs Education Desk Officer & The Earth Institute

Indicator Name	Definition	Data Source (HNLSS, DHS, OSSAP-MDGs Facility Inventory Surveys, etc.)	Notes
Average number of students enrolled per school	in the LGA. The average number of students, female and male, enrolled per junior secondary school.	OSSAP-MDGs Facility Inventory Surveys	Definition Source: OSSAP-MDGs Education Desk Officer & The Earth Institute
Average number of full-time teachers per school	The average number of full-time teachers, female and male, per junior secondary school.	OSSAP-MDGs Facility Inventory Surveys	Definition Source: OSSAP-MDGs Education Desk Officer & The Earth Institute
Average number of classrooms per school	The average number of classrooms regardless of condition or use and including those under construction per junior secondary school.	OSSAP-MDGs Facility Inventory Surveys	Definition Source: OSSAP-MDGs Education Desk Officer & The Earth Institute
Average number of toilets per school	The average number of improved sanitation facilities that are used by the facility and located on the premises per junior secondary school. Improved sanitation hygienically separates human excreta from human contact. They key characteristics are a concrete slab and a septic tank/pit.	OSSAP-MDGs Facility Inventory Surveys	Definition Source: OSSAP-MDGs Education Desk Officer & The Earth Institute
INFRASTRUCTURE IN PRIMARY SCHOOLS			
Number of primary schools	Number of primary schools in the LGA. Primary school begins after the pre-primary level and covers levels	OSSAP-MDGs Facility Inventory Surveys	Definition Source: OSSAP-MDGs Education Desk Officer & The

Indicator Name	Definition	Data Source (HNLSS, DHS, OSSAP-MDGs Facility Inventory Surveys, etc.)	Notes
Percentage with functioning water point	<p>Primary 1 through Primary 6.</p> <p>Percentage of primary schools in the LGA that have improved water points that are functional, used by the facility and located either on the premises or within 100 meters of the primary school facilities in the LGA.</p> <p>Examples of improved water points include hand-pump, taps, protected well with tight-fitting cover that fully covers the well opening, and a rainwater harvesting system.</p> <p>Number of primary school facilities in the LGA with improved water points divided by the number of primary school facilities in the LGA.</p>	OSSAP-MDGs Facility Inventory Surveys	<p>Earth Institute</p> <p>Definition Source: OSSAP-MDGs Education Desk Officer & The Earth Institute</p>
Percentage with improved toilet	<p>Percentage of improved sanitation facilities that are used by the facility and located on the premises of the primary school facilities in the LGA. Improved sanitation hygienically separates human excreta from human contact. They key characteristics are a concrete slab and a</p>	OSSAP-MDGs Facility Inventory Surveys	<p>Definition Source: OSSAP-MDGs Education Desk Officer & The Earth Institute</p>

Indicator Name	Definition	Data Source (HNLSS, DHS, OSSAP-MDGs Facility Inventory Surveys, etc.)	Notes
Percentage with access to the national grid (PHCN)	septic tank/pit. Number of primary school facilities in the LGA with improved sanitation facilities divided by the number of primary school facilities in the LGA.	OSSAP-MDGs Facility Inventory Surveys	Definition Source: OSSAP-MDGs Education Desk Officer & The Earth Institute
Pupil to toilet ratio (primary)	Number of primary school students on average per toilet, in the LGA.	OSSAP-MDGs Facility Inventory Surveys	Definition Source: OSSAP-MDGs Education Desk Officer & The Earth Institute
Percentage of primary schools with a useable chalkboard in every classroom	Percentage of primary schools in the LGA that have a useable chalkboard, blackboard, whiteboard in every classroom. This refers to proper chalkboards, blackboards, or whiteboards and does not refer to black paint applied to a wall.	OSSAP-MDGs Facility Inventory Surveys	Definition Source: OSSAP-MDGs Education Desk Officer & The Earth Institute

Indicator Name	Definition	Data Source (HNLSS, DHS, OSSAP-MDGs Facility Inventory Surveys, etc.)	Notes
<p>Number of primary schools in the LGA with a useable chalkboard divided by the total number of primary schools in the LGA.</p>			
<p>INFRASTRUCTURE IN JUNIOR SECONDARY SCHOOLS</p>			
Number of junior secondary schools	Number of junior secondary schools in the LGA. Junior secondary school begins after Primary 6 level and covers levels Junior Secondary 1 through Junior Secondary 3.	OSSAP-MDGs Facility Inventory Surveys	Definition Source: OSSAP-MDGs Education Desk Officer & The Earth Institute
Percentage with functioning water point	Percentage of junior secondary schools in the LGA that have improved water points that are functional, used by the facility and located either on the premises or within 100 meters of the junior secondary school facilities in the LGA. Examples of improved water points include hand-pump, taps, protected well with tight-fitting cover that fully covers the well opening, and a rainwater harvesting system. Number of junior secondary school facilities in the LGA with improved water points	OSSAP-MDGs Facility Inventory Surveys	Definition Source: OSSAP-MDGs Education Desk Officer & The Earth Institute

Indicator Name	Definition	Data Source (HNLSS, DHS, OSSAP-MDGs Facility Inventory Surveys, etc.)	Notes
Percentage with improved toilet	<p>divided by the total number of junior secondary school facilities in the LGA.</p> <p>Percentage of improved sanitation facilities that are used by the facility and located on the premises of the junior secondary school facilities in the LGA. Improved sanitation hygienically separates human excreta from human contact. They key characteristics are a concrete slab and a septic tank/pit. Number of junior secondary school facilities in the LGA with improved sanitation facilities divided by the total number of junior secondary school facilities in the LGA.</p>	OSSAP-MDGs Facility Inventory Surveys	<p>Definition Source: OSSAP-MDGs Education Desk Officer &The Earth Institute</p>
Percentage with access to the national grid (PHCN)	<p>Percentage of junior secondary schools in the LGA with access to the Nigerian national grid, such as PHCN. Refers to systems powered by a connection to the Nigerian national electricity grid. Number of junior secondary schools in the LGA with access to the Nigerian national grid divided by</p>	OSSAP-MDGs Facility Inventory Surveys	<p>Definition Source: OSSAP-MDGs Education Desk Officer &The Earth Institute</p>

Indicator Name	Definition	Data Source (HNLSS, DHS, OSSAP-MDGs Facility Inventory Surveys, etc.)	Notes
Pupil to toilet ratio (junior secondary)	<p>the total number of junior secondary schools in the LGA.</p> <p>Number of junior secondary school students on average per toilet, in the LGA.</p>	OSSAP-MDGs Facility Inventory Surveys	<p>Definition Source: OSSAP-MDGs Education Desk Officer & The Earth Institute</p>
Percentage of junior secondary schools with a useable chalkboard in every classroom	<p>Percentage of junior secondary schools in the LGA that have a useable chalkboard, blackboard, whiteboard in every classroom. This refers to proper chalkboards, blackboards, or whiteboards and does not refer to black paint applied to a wall.</p> <p>Number of junior secondary schools in the LGA with a useable chalkboard divided by the total number of junior secondary schools in the LGA.</p>	OSSAP-MDGs Facility Inventory Surveys	<p>Definition Source: OSSAP-MDGs Education Desk Officer & The Earth Institute</p>
RATIOS—PRIMARY SCHOOLS			
Pupil to classroom ratio (primary)	Ratio of pupils to one classroom at primary schools in the LGA.	OSSAP-MDGs Facility Inventory Surveys	<p>Definition Source: OSSAP-MDGs Education Desk Officer & The Earth Institute</p>
Primary school pupil to teacher ratio	Ratio of primary school pupils to one full-time primary school teacher in	OSSAP-MDGs Facility Inventory Surveys	<p>Definition Source: OSSAP-MDGs</p>
