MDG Status

Below are data collected from HNLSS (2008-2009), DHS (2008), School Census (2005), HSS (2005).

Goal 1: Eradicate extreme poverty and hunger

Percentage of children under five who are underweight (weight-for-age)*	0.51
Percentage of children under five with stunting (height-for-age)*	0.53
Percentage of children under five with wasting (weight-for-height)*	0.34

Goal 2: Achieve universal primary education

Net enrollment rate for primary education	0.32
Gross enrollment rate in primary education	0.85
Net enrollment rate for secondary education	0.01
Gross enrollment rate in secondary education	0.37
Literacy rate of 15-24 year olds (men and women)	0.38

Goal 3: Promote gender equality and empower women

Ratio of girls to boys in primary schools	0.57
Ratio of girls to boys in junior secondary schools	0.28
Gender parity index (GPI) for primary schools	0.65
Gender parity index (GPI) for junior secondary schools	0.13

Net enrollment rate for primary education: percentage of children of a specific age (i.e., 6-11) in LGA who are enrolled in primary school.

GPI: number of girls enrolled at grade level compared to number of boys. Target GPI is 1, reflecting parity between females and males; however, less than 1 indicates disparity in favor of boys and greater than 1 indicates disparity in favor of girls.

MDG 2 and MDG 3 directly relate to Education.

Indicators for 7 MDGs are listed at the bottom of LGA overview page.
